GERMAN LANGUAGE AND AUSTRIAN STUDIES

The Diplomatic Academy's well-established Summer Course for German Language and Austrian Studies takes place from 4 to 29 August 2014 in Vienna.

The programme combines four weeks of **intensive German language training** at different levels of competence (from beginners to advanced, in accordance with the Council of Europe's Common European Framework) with **workshops and lectures on Austrian politics, history, economy and culture**. During the course, several **research projects** are organised to give participants the opportunity to discover the 'real' Vienna beyond tourist clichés.

Additionally, there are **study visits** to international organisations based in Vienna, as well as to Austrian political and cultural institutions (United Nations, museums etc.). An **all-day excursion** offers participants the opportunity to discover a part of Austria outside Vienna. Moreover, **leisure activities** such as hiking, a visit to a 'Heuriger' (Austrian wine tavern) and Waltz lessons are organised on an optional basis. Participants also have the opportunity to take the internationally recognised **Österreichisches Sprachdiplom** (Austrian Language Certificate) exam. In addition, **career counselling** activities are offered during the course.

The Summer Course is particularly designed to meet the special needs and interests of students and learners from various professional backgrounds from all over the world. Classes are **communicative, learner-oriented** and are taught in **small groups**. Every morning, four hours of language training take place for all levels. Depending on the course option, lectures, research projects, creative language learning activities, excursions and leisure activities are organised in the afternoon.
